ADMISSIONS & FINANCIAL AID

NEXT STEPS:

Bear ID and Email

Within twenty-four to forty-eight hours of the receipt of the seat deposit confirmation email, you should have received an email from Baylor IT with a security code. If you did not receive that email, please contact the Baylor IT Help Desk at 254.710.4357. Make sure you have your Baylor ID number when you call them. Once you receive your security code, you will be able activate your Bear ID and establish your password. Go to www.baylor.edu/bearid. To verify your identity, you will be prompted to enter your last name, which is case sensitive; your date of birth; and your Baylor ID number in the appropriate boxes. Click the NEXT button, and then follow the instructions. You can find more information about setting up your Bear ID here:

<http://www.baylor.edu/its/index.php?id=40089>.

Your Bear ID and password will give you access to Baylor email. You can log into Baylor email at mail.baylor.edu. Although the Admissions Office will continue to send information to both your Baylor and personal email addresses until graduation, the Financial Aid Office will only send emails to your Baylor email. For more information about setting up your Baylor ID, please visit

<https://www.baylor.edu/its/index.php?id=41286>.

BearWeb

BearWeb is another online system that you will use for registration, financial aid, and a number of other services. You can learn more about it here:

<http://www.baylor.edu/its/index.php?id=47928>. You will need to set a PIN number to use that website, and you can do that here:

<http://www.baylor.edu/its/index.php?id=40091>.

Transcript

You must provide us with an official transcript showing receipt of your bachelor's degree and all academic work undertaken. If the transcript you supplied to LSAC is the final transcript, that is sufficient. If it is not, the official transcript needs to be sent to Baylor Law by the degree-granting school. You may have an official transcript mailed to [Jenny Branson@baylor.edu](mailto:Jenny_Branson@baylor.edu) or at Baylor Law, 1114 S. University Parks Drive, One Bear Place #97288, Waco, TX 76798.
